TRAINING ENROLLMENT

On Tuesday, January 26, 1999, Decentralized OfficeVision users will receive an on-line Needs Assessment form for the Spring 1999 semester. The training coordinator from each agency will consolidate the staff training requests, fill in the necessary information on the Needs Assessment form and return the form to the Training Administrator via E-Mail to col(pdenroll) or FAX to (916) 324-7293 (CALNET 454-7293) no later than Tuesday, February 2, 1999. On or before Wednesday, February 10, 1999, the Spring 1999 training schedule will be sent to all Decentralized OfficeVision users. On Monday, February 22, 1999, the Training Administrator will begin to contact each training coordinator in the order the Needs Assessment forms were received. **NO PHONE CALLS WILL BE ACCEPTED IN LIEU OF THIS PROCEDURE.**

We will make every effort to place trainees into the programs and dates requested. However, if placement is not possible at that time, the Training Administrator will offer other alternatives, dates or suggest direct contact with the appropriate instructor to discuss on-site consultations or a special request training program.

Our objective is to respond to department training needs within our resource capability.

Each scheduled trainee will receive a letter approximately 30 days prior to the class date. This letter contains important enrollment information including class dates, times and location.
